BAHA	HEARING AID	COCHLEAR IMPLANT	FM/DM SYSTEM	OTHER

HELLO, my name is \_\_\_\_\_

I have a \_\_\_\_\_ (degree) \_\_\_\_\_ (ears affected) \_\_\_\_\_ (type)

hearing loss, diagnosed \_\_\_\_\_ (time of diagnosis), and I use \_\_\_\_\_ (devices) to help me hear.

EXAMPLES

**HELLO**  
my name is Sophie

I have a profound bilateral sensorineural hearing loss diagnosed at age 2, and I have bilateral cochlear implants that help me hear.

**HELLO**  
my name is Charlie

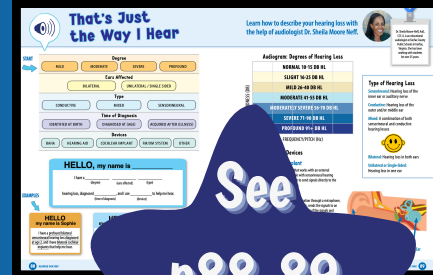

I have a moderately-severe unilateral conductive hearing loss caused by microtia, and I have a Baha to help me hear.

**HELLO**  
my name is Riley

I have a mild bilateral mixed hearing loss acquired after many ear infections, and I wear bilateral hearing aids to help me hear.
